# Vessel Repair and Refit

We offer comprehensive vessel repair and refitting services, storage facilities and more - at some of the most competitive rates you will find anywhere.

With St. Johns Ship Building we give you options that can meet whatever your needs may be.

You Can Rent a Slot or We Can Do the Work for You – all along East Coast!

## YACHT REFIT AND REPAIR SERVICES

We have affordable and comprehensive [Ship Repair Services](#) and long and short-term storage solutions for your vessel.

At our cost-conscious shipyard we customize, modernize and restore vessels of all types and sizes.

**COMPETITIVE SERVICE RATES** for craftsmen, metal workers, welders, and other skilled labor - with current rates that start at just \$65.00.

You can also choose to rent a slot and work on your vessel yourself, or hire outside help for your repair needs. If so we allow full subcontractor access with **NO SURCHARGE FEES**.

## ALL TYPES OF VESSEL STORAGE OPTIONS

At St. John's Ship Building we offer both wet storage and dry storage for sail- and powered-boats of all types.

### WET STORAGE

We have wet slips as large as 200 ft. at very affordable rates, with end ties available for larger boats. Both covered and uncovered options are available at the marina. Clean, well-maintained facilities with reliable, 24-hour security on-site to protect your investment.

### DRY STORAGE

Dry storage is a second option for storing your boat at St John's Ship Building. Our dry storage yard is secured and comes with unlimited launch/recovery service.

St. John's is the best choice for dry docking yachts or steel vessels in northern Florida and along the entire east coast.

For short and long-term storage of your vessel there is no better place than St. John's!

**AN AFFORDABLE, EASY ACCESS, SAFE HAVEN FOR YOUR BOAT**

The nearby city of Jacksonville, FL and Jacksonville International Airport (JAX) provides easy access to the beautiful St. John's River and our facility from anywhere on the east coast and around the globe.

Call **(386) 328-6054** to get a quick and easy quote for storing your vessel or to book your next dry dock job today!
